

# NOTICE

Please be advised that starting Monday, December 5th (weather permitting) residents along King & James Street, 100 & 200 block of Main Street West and the 200 block of First Street West may experience the following:

discolored water

temporary loss of water

pressure loss

boil water advisory

road closures

The above will be caused due to water line upgrades.

These upgrades will improve water quality for the Town of Langham.

Residents in the effected area will be notified by a notice attached to their door.

We are very sorry for any inconvenience this may cause. If you have any further questions regarding this matter, please do not hesitate to contact the Town Office during regular business hours at

306-283-4842.

Town of Langham
