

For the health and safety of community members and staff in the Town of Langham during the COVID-19 pandemic we are taking measures that may have an impact on operations.

Committee and Council meetings will continue to occur as scheduled, and effective September 28, 2020, all meetings will be livestreamed via the ZOOM platform for full public viewing in meetings. The ZOOM system is web-based, however allows for both online access to the meeting or a telephone option. Full public access to all meetings will exist, with certain restrictions on interactions with Council during the meeting, similar to what would occur during regular in-person meetings. A unique link will be included in each Council/Committee agenda for public login to the remote meeting, or in the case of individuals wishing to phone in, a unique access code to get into the meeting. If using a smartphone or tablet app, the access code is what will be required to enter the meeting. Upon entering the meeting, you will be able to see and/or hear the full proceedings.
