## Solid Waste Management Bylaw 2023-01

As of June 1st 2023, the Solid Waste Management Bylaw will come into force within the Town of Langham. The purpose of this bylaw is to establish management policies and rates specific to Waste Collection Services (Waste/Recycling/Organics Collection) within the boundaries of the Town of Langham. Currently, expenses for Waste Collection is paid for through your property taxes. The enactment of this new Bylaw will result in expenses for this service, being added to your monthly utility bill.

**Therefore, Utility Bills will increase by \$23.50 per month beginning with the June 2023 billing period which you will receive at the beginning of July 2023.**

This rate will be reviewed annually.

**Please Note:** It is council's intension that this change will be reflected by a decrease in the Property Tax Levy. If you wish to review the bylaw as a whole, please visit our website at [www.langham.ca](http://www.langham.ca), under the Town Office tab, select "bylaws and enforcement". There you will find the Solid Waste Management Bylaw.
