### WASTE, RECYCLING & ORGANIC COLLECTION BYLAW

#### A BYLAW OF THE TOWN OF LANGHAM TO REGULATE WASTE, RECYCLING AND ORGANIC COLLECTION

---

The Council of the Town of Langham, in the Province of Saskatchewan, enacts as follows:

#### **I. DEFINITIONS**

- 1) “ADMINISTRATOR” means the Town Administrator for the Town of Langham.
- 2) “TOWN” shall mean the Town of Langham.
- 3) “CART” shall mean a 95 gallon plastic wheeled cart with attached lid which is provided by Loraas Disposal Services Ltd.
- 4) “LARGE METAL BIN” shall mean 3, 4 or 6 yard metal bin for waste or recycling.

#### **II. COLLECTION**

##### **1) WASTE COLLECTION**

- a) All properties wishing to attain a residential waste collection cart to dispose of their “household” type waste will be provided with such a cart. Their waste will be picked up once every second week according to the current schedule set out by Loraas Disposal Services and approved by the Town.
- b) Any property requiring additional waste carts will pay the current contract rate per month for the extra carts to a maximum of 4 carts per property. This additional charge will be included on the monthly utility bill and will be subject to 1.5% interest per month on past due amounts. If the property does not receive a monthly utility bill a utility account will be created solely for monthly disposal billing.
- c) All properties requiring a large metal waste collection container, or require their waste to be collected more frequently, shall contract for their own waste collection services and shall be responsible for payment of the same to their contact provider.

##### **2) RECYCLING COLLECTION**

- a) All properties wishing to attain a residential recycle collection cart to dispose of their recycling materials will be provided with such a cart. Their recycling will be

picked up once every second week according to the current schedule set out by Loraas Disposal Services and approved by the Town.

- b) Any property requiring additional recycling carts will pay the current contract rate per month for the extra carts to a maximum of 4 carts per property. This additional charge will be included on the monthly utility bill and will be subject to 1.5% interest per month on past due amounts. If the property does not receive a monthly utility bill a utility account will be created solely for monthly disposal billing.
- c) All properties requiring a large metal recycling collection container or require their recycling to be collected more frequently shall contract for their own recycle collection services and shall be responsible for payment of the same to their contact provider.

### **3) ORGANIC COLLECTION**

- a) All properties wishing to attain a residential organic collection cart to dispose of their organic waste will be provided with such a cart. Their organic waste will be picked up once every second week from May 1<sup>st</sup> to October 31<sup>st</sup> and every 4 weeks from November 1<sup>st</sup> to April 30<sup>th</sup> according to the current schedule set out by Loraas Disposal Services and approved by the Town.
- b) Any property requiring additional organic carts will pay the current contract rate per month for the extra carts to a maximum of 4 carts per property. This additional charge will be included on the monthly utility bill and will be subject to 1.5% interest per month on past due amounts.
