## PUBLIC NOTICE

The Town of Langham is notifying residents that Council is considering an increase to the waste collection fees for 2025. This adjustment is necessary due to increases in rates from Loraas Disposal, as outlined in Bylaw 2023-01, which ensures fees reflect contractor rate changes to achieve full cost recovery.

**Why Are Fees Increasing?** Loraas Disposal has informed the Town of the following rate increases for waste, recycling, and organics:

Service	2024 Rate	2025 Rate	\$ Increase	% Increase
Recycling	\$6.44	\$7.10	\$0.66	10.2%
Organic	\$6.20	\$7.10	\$0.90	14.5%
Waste	\$7.95	\$8.75	\$0.80	10.1%
<b>Total Carts</b>	<b>\$20.59</b>	<b>\$22.95</b>	<b>\$2.36</b>	<b>11.5%</b>

Additional costs include fuel surcharges and carbon taxes (currently \$3.63/month) and the admin fee (\$0.23/month).

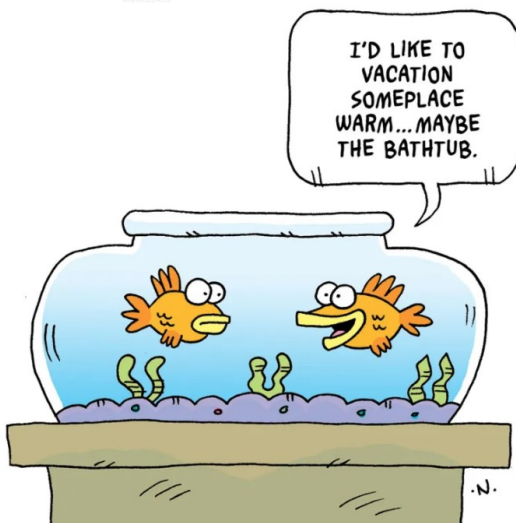

**Proposed 2025 Rate** Council is proposing an increase to match the \$2.36/month cart cost increase, resulting in a new total rate of **\$26.80/month per property**. This increase will ensure fees remain aligned with contractor costs while minimizing additional financial impact on residents.

### Next Steps

- Council has completed the first reading of Bylaw 2025-01.
- The second and third readings are expected to be completed prior to the February 1, 2025 billing cycle (for January billing).

For any questions or further details, please contact the Town Office. Thank you for your understanding as we work to maintain effective and sustainable waste management services for Langham.

# The Mayors Message

I hope that everyone had a wonderful Christmas season, and I wish you a Very Happy and Prosperous 2025.

We are getting back into the swing of things now that the holiday season is over and there are many exciting things coming about soon for the town.

Stay tuned to find out all that will be happening in the town. The best way to find out what is happening in the town is to watch the meetings that are on Facebook or talk with one of the councilors.

I am planning to be in the council chambers on Fridays from 9 am to 12 noon on the following days:

January 17 and 24

February 7, 14, 21

I will not be available for March or April as I am busy at work.

If you have any questions, concerns or just want to stop in to say hi, please come on in.

I was in the council chambers on Jan 10 and has two ratepayers stop in. We had a very good discussion, and they left me with some great information and suggestions.

I heard that we have or may soon have some new members to the fire department, and I want to say thank you, and hope to meet them in the near future.

I suggest that everyone have a look at the website and see the council biography page. I want to thank the councilors for getting their bios in and for the staff for the wonderful job that was done putting this page together, it looks great.

## **Reminders from Town of Langham Public Works Department**

### **Snow Removal**

The Public works department would like to remind residents that in the event of a major snow fall please remove vehicles from the street in order for the crew to be able to adequately plow the roads.

Did you know that piling/pushing/blowing snow on our roadways and parking areas is in violation of our by-laws? Putting snow on our roadways is a risk to motorized vehicles as well as pedestrians.

Please pull your garbage/recycle/organic carts back onto your property as soon as possible on pick up days. Snow removal becomes nearly impossible to complete when the carts are left on the street.

Please watch for the "Tow Away Zone" signs. These signs are used when our Public Works Department are planning to do snow removal from the boulevards.
