or

\$7.50/dozen perogies only

Call or text to 306-716-1063 or 306-380-3407 to order

The Mayors Message

As I am writing this in the Cold February weather, I am hoping by the time this is published we will be in warmer weather.

I want to remind everyone that I will NOT be in the council chambers in the months of March or April as I will be busy at work. If you need to contact me the best way is to send me an email at mayorkary@langham.ca and I will try to get back to you within 24 hours. As I am busy at work, I will not be able to get to any emails until the evenings.

I want to congratulate the Town of Langham, its employees and residents on receiving recognition from Communities in Bloom. 2024 was our first year competing in the Competitive Category for the Town of Langham, and the judging was based on four key areas: Municipal Properties, Businesses & Institutions, Residential, and Community Involvement.

I'm pleased to announce that we earned three blooms out of a possible five! A huge thank you goes out to all the residents for the care they put into their properties, as well as to our town staff for their dedication and pride in maintaining our community. Stop in at the town office and see the plaque that was received from Communities in Bloom. I am hoping that we can again receive three blooms or more for the coming year.

We are getting ready to attend the SUMA convention that is on from April 13 to 16, 2025. This is a great opportunity for networking with other municipalities, government officials, gain education through the various dialogues and workshops offered and get information about products and services offered at the tradeshow. With approximately 1,000 or so participants there is lots of opportunities for us.

Even though we are coming to the end of winter, it is Saskatchewan and we can still get a few snow storms, so I want to remind everyone of two points.

If you have a fire hydrant on your property, please make sure it is accessible. The fire department will appreciate it if they don't have to uncover a hydrant before they can pump for a fire.

Please do not lay your extension cords across the sidewalk. The town bylaw says that extension cords need to be 3 metres above the sidewalk. If they are on the sidewalk when the sidewalk sweeper comes by, they may not see it and then we then have damage to equipment, or someone may trip over them.

Upcoming Council Meetings

March 10th @ 6:30pm

March 24th @ 6:30pm

April 7th @ 6:30pm

April 21st @ 6:30pm

You Missed the Bus

The Plus 60 tour planned for May 6-8, 2025 is sold out. It will be a great tour and 50 Langham and area people will no doubt tell you all about it later.

The group will board a PA Northern motor coach and spend day one in the Broderick, Outlook. Elbow area. Day two we will take a group photo by the Willow Bunch giant statue and then spend the rest of the day on the Big Muddy tour near Coronach. Our travels home, on day three will include a specially prepared lunch for our group at the Mennonite Heritage Village in Swift Current.

Plus 60 organizes tours such as this every spring and often a second tour in fall. Langham people are given notice of the tour first then it is offered to the previous riders regardless of where they live; we need the bus filled in order for the tours to be financially viable.

Want to join us? Become a Langham Museum member and you will be personally notified by email of all upcoming tours and events.

Don't miss the bus.

Spring is right around the corner and the Town of Langham Public Works team could use your help! If you are able to help trench water to the open drains or clear out drains on the street, it would be greatly appreciated. Helping the water keep moving is the best way we can prevent flooding and drainage issues for the town and your neighbours!

- chair yoga Mondays 11-12 April 28 to June 16 six classes as no yoga may 19 and June 2 \$72
