Ongoing Projects

Water treatment plant upgrade

Currently going out for tender. The intent of the project is to ensure the town has adequate supply for the current population estimates and allow for future growth both residentially and commercially.

Prairie Rose Residential development

Associated Engineering (AE) has completed the review of the detailed design drawings and are currently working on a memo to send out.

The subdivision application is currently being worked on.

Highway Commercial development

The detailed design review is currently ongoing with AE to establish servicing estimates.

Recognition

A special thank you to everyone that came out and volunteered for the Langham Fowl Supper on October 26th and those who provided generous food donations to help make this year a success. As well as to everyone from Langham and surrounding communities who came to enjoy a delicious meal, we appreciate the support.

We also wish to thank the volunteers from all boards and community events for coming together to help provide services and activities that help make Langham a great place to live and raise a family.

Congratulations to Ag In Motion for being one of the finalists for the Tourism Industry Association of Canada award for Business Event of the Year.

Council meeting Agendas and Minutes can be found at <https://langham.civicweb.net/portal/>

Community Fowl Supper 2025

Thank you to everyone who helped make the Community Fowl Supper another huge success. We served 834 meals, which does not include any children under the age of 5. It was amazing to see and meet so many people from different places, coming together to enjoy good food together. This could not have happened without all the amazing volunteers from the community and area who put in hours cooking, setting up, and cleaning up afterwards. A special thank you goes out to our Fowl Supper Committee members who put in hours of work organizing, calling, shopping, delivering, prepping, and being an amazing support for the weeks leading up to the event.

We will see you all October 25th, 2026 to do it all again!

Reminders from Town of Langham Public Works Department

Snow Removal

The Public works department would like to remind residents that in the event of a major snow fall please remove vehicles from the street in order for the crew to be able to adequately plow the roads.

Did you know that piling/pushing/blowing snow on our roadways and parking areas is in violation of our bylaws? Putting snow on our roadways is a risk to motorized vehicles as well as pedestrians.

Please pull your garbage/recycle/organic carts back onto your property as soon as possible on pick up days. Snow removal becomes nearly impossible to complete when the carts are left on the street.

Please watch for the "Tow Away Zone" signs. These signs are used when our Public Works Department are planning to do snow removal from the boulevards.

From The Mayors Desk

I want to let everyone know that I will be back at the town office for people to drop in and talk with me or just say hi. I have picked the following dates that I will be in the office from 9 am to 12pm. The dates are as follows: Nov 3 & 17 and Dec 1.

A big thank you to all that volunteered for helping at the Fowl Supper, either by helping, donating or supporting this wonderful event. It was a success this year again. I worked in the takeout area and had lots of comments from people that stopped in. It is amazing to see all the people that come and support us from all over.

Langham Craft Sale takes place on November 22, 2025, from 9am to 4pm at the Langham Community Hall. Interested vendors please email janet_weiss_99@hotmail.com.

Congratulations to Ag In Motion for being one of the finalists for the Tourism Industry Association of Canada award for Business Event of the Year Award. They are up against the Canadian Western Agribition in Regina and Spirit Song Festival in St. John's. The award will be handed out on November 20, 2025, in Gatineau, Quebec. We are rooting for you.

There is a new portion of the newsletter called **Council Corner**. Please check it out as it has a lot of good information about what is happening and what we are doing.

I want to remind everyone that there should be no extension cords lying across the sidewalks for plugging cars in during the cold weather. It is a trip hazard for those walking the street and if the town needs to clear the sidewalks they may not be seen and the snowblower may destroy them. Also, if you have a fire hydrant on your lawn, once the snow starts flying, hopefully a while from now, if you can dig it out so that the fire department can get to them, I know they would appreciate it.

As this will be the last newsletter for this year I want to wish everyone a very Merry Christmas and a wonderful New Year.

TOGETHER WE WILL KEEP LANGHAM THE BEST TOWN ON HIGHWAY 16

Museum News

A big Thank You to all who supported our Steak Supper Fundraiser held on October 24th at 50 Shots. We would like to recognize the following Sponsors ; SaskEnergy, SaskPower, SaskTel, 50 Shots Sports Bar & Grill and all who volunteered their time and who donated items for our silent auction.

Starting January, the Museum will be offering "A Nite at the Museum" featuring local artisans and entrepreneurs. These presentations will be held on the 2nd Wednesday of the month from 7:00pm - 8:00pm. There will be an admission fee of \$ 5.00 per person.

Our first session is planned for January 14, 2026 Jessica Eppen will join us at the Museum to demonstrate the process of spinning wool.

Christmas Banquet December 5th. Watch for Posters
