Non-Local Businesses As per Zoning Bylaw 2018-04

1. Businesses operating from outside the Town of Langham that conduct business, provide services, or carry out work within Town limits are required to hold a valid Town of Langham business license.
2. All business activities conducted within Town limits must comply with the Town of Langham Zoning Bylaw, regardless of where the business is based.
3. The business owner and/or operator is responsible for ensuring that any work performed within Town limits is permitted in the applicable zoning district(s), including but not limited to:
 - Service calls
 - On-site work
 - Deliveries, installations, or repairs
 - Temporary or mobile operations
4. Business activities must not create a land use, parking, noise, traffic, or safety issue that is contrary to the Town of Langham Zoning Bylaw or any other applicable municipal bylaws.
5. Temporary, mobile, or project-based operations within Town limits may require additional approvals, permits, or conditions prior to commencing work.
6. Submission of this renewal application does not constitute zoning or operational approval. The Town reserves the right to review and inspect business activities conducted within Town limits at any time.
7. If a business is found to be operating in contravention of the Town's Zoning Bylaw or other municipal bylaws, the business license may be suspended, refused, or revoked until compliance is achieved.
8. Providing false or misleading information on this application may result in enforcement action, cancellation of the business license, or penalties as provided for under municipal bylaws.
9. Businesses are encouraged to contact the Town Office prior to conducting work within Town limits if there is any uncertainty regarding zoning or bylaw compliance.

I hereby agree that my non-local business complies with all relevant sections of the Zoning Bylaw 2018-04:
